AYDIN ALP GLOBAL

INDUSTRY AND FOREIGN TRADE LIMITED COMPANY

From Türkiye to global markets.

Aydın Alp Global is a production, sourcing and foreign trade company established to bring Türkiye's natural and agricultural products - primarily bay leaves and hazelnuts - to domestic and international markets.

We aim to manage sourcing, intake, sorting, grading, drying, pressing, packaging, storage and shipment preparation within a controlled system.

Reliable trade.

Consistent quality.

Long-term partnership.

Two products.
Two powerful brands.

ÇATALAĞZI LAUREX

Premium Turkish Bay Leaves

NOCCIADORO

Premium Turkish Hazelnuts

Both brands represent a long-term approach to trade built on origin, product standards and export discipline.
